NOTIFICATION.

PRINCE OF WALES' ROYAL INDIAN MILITARY COLLEGE, DEHRA DUN.

No. 2—(1) In connexion with the admission of candidates in the Prince of Wales' Royal Indian Military College, Dehra Dun, the following information is published for the use of intending candidates.

The College provides a public school education on English lines for Indian and Anglo-Indian youths who desire subsequently to enter a cadet college with a view to obtaining commissions in the Indian Land Forces, the Indian Air Force or the Royal Indian Navy, and making one of these services their profession in life. The course of study at the College will, however, be such that, should a boy fail in the competitive examination for admission to a cadet college or for entry in the Royal Indian Navy, he will be in as favourable a position for entry to a university as if he had been educated at an ordinary school.

(2) Candidates will be selected from unmarried Indian and Anglo-Indian boys of—

(a) Provinces of British India

(b) Indian States.

Nominations will be made by His Excellency the Commander-in-Chief on the recommendation of the Local Government or Administration or the Political Officer, as the case may be.

(3) Candidates must have attained the age of eleven years and be under twelve years on the 20th January 1936.

(4) Candidates should attach to their applications a medical certificate from the Officer Commanding a British or Indian Station Hospital or a Civil Surgeon to the effect that they are physically fit in all respects in accordance with Appendix A to this notification.

(5) The fees will be Rs. 1,500 for each school year and are liable to enhancement hereafter, if circumstances require. These fees will include tuition, messing, school servants and medical attendance of the ordinary kind, and, as initial provision, one suit of the uniform to be worn by students when at the College. Charges on account of washing of cadets' clothing and mending their clothing, boots and shoes as well as the cost of books and stationery (which will be supplied by the College) will be met by the parents or guardians of the cadets.

In addition to the fees referred to above, the parent or guardian of a cadet will be required to deposit with the College authorities, on his entering the College, the sum of Rs. 50 which will be returned when the cadet finally leaves the College provided that all dues have been paid.

In the event of it becoming necessary for cadets to be admitted into a civil hospital, all charges incurred will be borne by the parents or guardians of the cadets.

A full term's notice is required to be given of intention to withdraw a cadet from the College. In the event of such notice not being given the parent or guardian will be required to pay one full term's fees in lieu, unless it is considered that the circumstances in which the cadet was withdrawn are such as to call for special consideration.

NOTE.—In the past, remissions of fees have been made, in certain deserving cases, in the sons of Indian soldiers. Such remissions will be discontinued until further orders, and full fees will be levied in respect of cadets who are the sons of Indian soldiers and who are admitted to the College in the future.

(6) Entry to the College will not be open to candidates who are already married.

(7) Parents or guardians of candidates for admission to the College at the time of the submission of the applications will furnish signed declarations (in duplicate) in the following form:—

"I, ——————— father / guardian of ———————, a candidate for admission to the Prince of Wales' Royal Indian Military College, Dehra Dun, declare that it is my wish that my son / ward should make the Indian Army, the Air Force or Royal Indian Navy his profession in life.

I declare also that—

(a) if my son / ward withdraws from the Prince of Wales' Royal Indian Military College before appearing at an examination for admission to the Indian Military Academy, the Royal Air Force College, Cranwell, or the Royal Indian Navy,

or

(b) if, having been declared successful at one of the examinations mentioned at (a) above, does not proceed to one of the institutions with the intention of adopting the Indian Army, Indian Air Force or Royal Indian Navy as his profession,

for reasons within his control or mine (on which points final decision will rest with the Government of India), I shall be required to pay the full cost which Government may have incurred on his education at the Prince of Wales' Royal Indian Military College.

I declare also that my son / ward is unmarried and that he will remain a bachelor whilst at the College and until he has completed, subsequently, a course at the Indian Military Academy, Royal Air Force College, Cranwell, or for admission to the Royal Indian Navy.

Simla, the 3rd September 1935.

No. F. 114/36/35.—His Excellency the Viceroy and Governor General of India has been pleased to confer the Indian Police Medal on the following officer :—

Name of officer and rank ; statement of services for which the Decoration has been conferred.

MADRAS PRESIDENCY.

Alfred James Bailey, Sergeant-Major.—On 29th May 1935 there was a fire in Brodiepet, Guntur, which resulted in the destruction of 70 thatched huts and a two-storied house. Mr. Bailey, on receipt of the alarm, went at once to the scene with the Armed Reserve Police and eventually succeeded in putting out the fire and preventing it from spreading to the more valuable houses in the close vicinity. When engaged in this work, he was informed that a family was trapped in the two-storied house. This house had a small enclosure in front, surrounded by a stone-wall. The burning roof of the house had slipped down into this enclosure. Mr. Bailey forced open the door in the outer wall, and entered the enclosure, where he found himself confronted by a wall of flame. With the help of a few buckets of water, he succeeded in making a gap in the flames and rushed through it into the verandah of the house. After some groping in the smoke he came across the family, consisting of a man, a woman and a child, huddled in a corner of the verandah, and dragged them outside to safety. But for this courageous action they would have perished in the flames.

N.B.—The award is made for gallantry under regulation (3) (i) of the regulations governing the grant of the Indian Police Medal and consequently carries with it the special pension admissible to officers of and below the rank of Inspector of Police.
